## Transpire Weekend Events & Rallies

### Christmas Cracker Event, Manchester Museum of Transport. Sunday 2<sup>nd</sup> December 2018

If you are looking for the perfect Christmas present for your enthusiast friends, then this is the trip to make. Most of the roadworthy buses at the Manchester Museum of Transport (a former bus garage) are moved outside to make room for a large array of sales stalls, many of which have 'end of the season' offers on models, photographs, DVD's, books etc. The on-site cafe gives a welcome refreshment break, and you are welcome to inspect the other restoration projects at the Museum.

A regular free bus service is operated to Victoria Station in Central Manchester and, at this time of year, the City Centre shops are decorated for the festive season, and there is usually a fascinating German market. Join us for a day of festive fun and wish all your colleagues, who have joined our Transpire tour programme throughout the year, a very Merry Christmas.

**To join us on this trip, and for details of picking up points and times, please contact Neville Whitmore on 07709-987478.**

**Please note there is an admission charge at the Museum which is a maximum of £4.00 adult, £2 senior citizens. Accompanied children are free.**

### New Year Morning Adventure. Sunday 13<sup>th</sup> January 2019

A surprise vehicle will take us to a surprise destination.

As before the bus will be used later in the afternoon to transport members of the Chesterfield 123 Preservation Group to their annual Christmas Dinner and thus our run will end at about 2:30 pm in the Town Centre. Do come along for, what will probably be, the only outing before Easter, but please do wrap up warm!

**To join us on this trip, and for details of picking up points and times, please contact Neville Whitmore on 07709-987478.**
